

SPIRIT ART: BRINGING ARTISTIC IMAGES OF SPIRIT THROUGH

With Joseph Shiel III

April 24, 2010 9am-5pm \$95

At The Journey Within 973-616-9685

Using the mediums of various art forms, this workshop will teach various aspects and practices of spirit artistry and how they illuminate the reality of the continuation of life after the change called death. This workshop is designed to instruct the novice and seasoned artist and medium alike, of the enlightening world and phenomena of spirit imagery through prayerful, meditative co creative artistic communication. Each participant will create their own works of spirit art and Joseph will also demonstrate spirit expressions of artwork for some of the participants during the workshop.

Joseph Shiel is an award winning teacher, a motivational lecturer, medium, spiritual counselor and chaplain, a Reiki Master, certified healer, artist, sculptor, musician, writer and poet. Joseph received a Globe Fine Arts Award at age five for a spiritual painting of the crucifixion of Christ. He has studied at Boston's Museum of Art, Providence Museum, and Ocean City Museum. He has an advanced philosophy degree from Boston College, attended St. Bernard's Institute and Colgate Grozier Seminary for ministry. Joseph channels musical compositions, and paintings and drawings of recognizable spirit loved ones, guides and teachers. He also sculpts intuitive images and uses color and energy while interpreting clear messages in the art forms, and he brings through animal images and symbols.
